

Join us next spring in Italy for **A Taste of Tuscany**

Women's Tour, May 5-12, 2018

From the enchanting hills of Chianti to the splendour of medieval Florence, nature and history have combined to make Tuscany an irresistible holiday destination.

Come with us to experience your own Taste of Tuscany.

In the spring of 2018, Jill Wilcox of Jill's Table will take a small group of women on a culinary tour of her favourite sights and tastes of Tuscany. We hope you'll be part of our trip. Home for the week will be our own 17th-century villa in Chianti. Our day trips will take us through the province as we explore the foods, wines, history, art and scenery that make it so captivating - a wonderfully personal introduction to one of the most beautiful spots in the world, or a new perspective on a well-loved region.

Some highlights of our trip will be daily cooking lessons with Jill and local chefs; visits to colourful markets; fine dining in Michelin-starred restaurants and popular local trattoria; wine-tasting in the vineyards of Chianti, and wandering the streets of medieval villages... isn't it time for you to see Tuscany?

The cost of \$5500. CDN per person includes:

- all accommodation and transportation
- all meals and wine
- all sightseeing and excursions
- all cooking classes with Jill and local chefs

Other than your flight, absolutely everything is included to make this your next memorable holiday.
